Jeff needs to get to his next class.
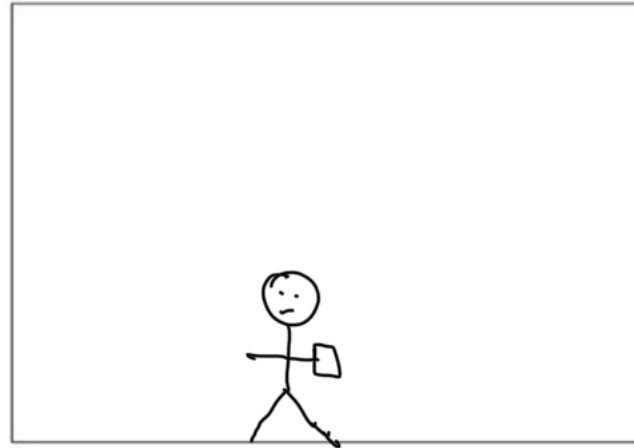

He pulls out his phone to use TransLoc so he can get to his next class.

The bus arrives and Jeff gets on.

He gets to his next class in time.

I need to get on the bus to make it to my class.

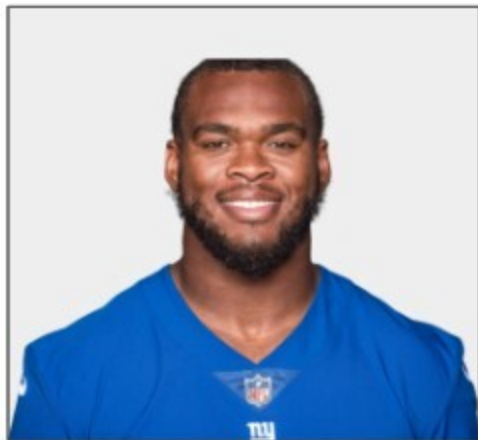

Oh no! The bus isn't here yet.

Let me check my app to see how far behind it is.

The bus is not going to make it here on time. I better start walking.
